◆ LA PRÓXIMA TRAICIÓN ◆

ONLY TWO INSTRUMENTS -BANDONEON AND PIANO- YET
THEY SOUND LIKE AN ORQUESTA TÍPICA.

Ben & Winnie take you on a journey through tango's rich history and beyond.

From traditional songs like *Comme il faut* to the pounding rhythms of their newest number, *La Próxima Traición*, the tango duo pushes the boundaries of what two people can do.

Through their witty and powerful performances, *Ben & Winnie* make us confront the footprints we make in life, especially the ones that refuse to go away. For the duo, tango is about the power of social change. It's about not being afraid to commit a little treason to bring about a greater good.
